

EngagementHQ Tools Spectrum

Managing your project communications

Controlled environment

Participants cannot engage with each other. Data is stored in the backend and only accessible by admin.

SURVEYS

The Surveys tool gives people an opportunity to voice their opinion in a convenient and guided way, which has historically shown higher response rates than other formats.

POLLS

Polls encourage people to give a quick answer on one question, selecting from multiple choice answers. They are able to instantly see the Poll results, piquing their interest and giving you real time insight.

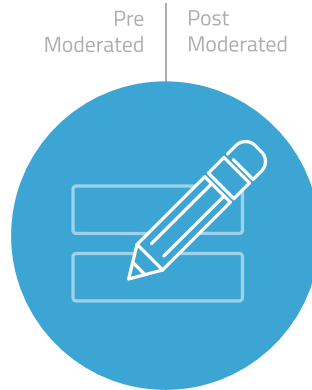

Mixed environment

Participants can see other participant contributions. However, there is little peer-to-peer interaction. Some data may be visible to the public, other data is just accessible by admin.

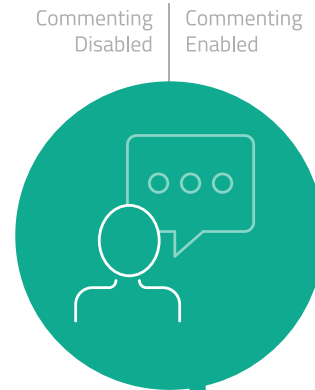

QUESTIONS

Questions is an issues management and communications risk mitigation tool. It is a managed space for your community to ask you questions and for you to respond either publicly or privately.

GUESTBOOK

Guestbook keeps things simple; people are only able to upload comments, which are moderated to manage what appears publicly. No other interaction is enabled.

STORIES

When we tell or hear a story, neuroscience tells us that we experience things on a higher and more resonant level. Stories helps your community better understand, empathize and relate to others as well as your project goals.

Open environment

Participants can engage with each other. Comments and ideas are visible.

PLACES

Places is a simple way to gather community feedback and ideas directly on a map. Participants drop a "pin" in the area of concern, add photos and then fill in a quick survey.

IDEAS

Ideas provides "virtual" post it notes for individuals to add their ideas to a collective board. People like the ideas that inspire them most, helping align your priorities with what matters most to the community.

FORUMS

The Forums tool creates a space for discussion, dialogue and debate. People share their experiences with others, ask questions and have conversations in a safe and interactive environment.
